Mr. Allegretti –  
(with copies as indicated)

We would like to arrange a virtual meeting with you and other representatives of ECSD to go over the federal and state governments' general expectations for a potential settlement of this Clean Water Act enforcement matter. We would plan to focus on resolution of ECSD's pretreatment program problems and operational failings and NPDES permit exceedances at the treatment plant.

If possible, we would like to schedule this meeting on March 16 from 1-3pm eastern (noon- 2pm central). If that will not work, then a second option for us is March 14 from 11-1pm eastern (10am-noon central)

We can circulate a Microsoft Teams meeting invitation once we nail down the date.
